

PRESS RELEASE

CVA EOS S.r.l. finalises the purchase of a 59MW portfolio from Solar 2.0 S.r.l.

Châtillon (AO), August 1st, 2024

Today CVA EOS S.r.l. (the "Buyer"), single-member company wholly owned by Compagnia Valdostana delle Acque S.p.A. – CVA S.p.A., gave execution with Solar S.r.l. (the "Vendor") to the purchase contract signed on June 26th, 2024, for the purchase of 18 photovoltaic projects for a total of 59 MW of which 18 MW operating, 11 MW under construction and 30 MW in development.

The Vendor belongs to the Solar Ventures S.r.l. group – part of a group of Italian societies whose parent company is AME Ventures S.r.l. – which is one of the major Italian independent renewable energy producers specialised in development, construction and financing of solar projects.

CVA Group was assisted for this operation by PwC Strategy& in quality of strategy and finance advisor; by the law firm Field fisher Italy STA in quality of legal advisor and by Afry in quality of technical advisor.

Solar 2.0 S.r.l. was assisted by Parola Associati in quality of legal advisor.
